Deflect 2 [proposed]: Holding a lightsaber and not Pinned: when hit by a ranged attack it can see, test 2d6 + Fight, 8+, to deflect it (no effect). −1 for each earlier deflection this round. Test each hit of a burst separately. A deflection on 12 or more sends the bolt back: the shooter takes the hit, rolling the weapon's damage dice on the wound table.

Leap [proposed]: A Move may include one leap, up or down one level (3") or across a gap up to 3", at no extra cost. Drops up to 6" need no falling test.

Jedi discipline [proposed]: Never takes breaking tests and ignores casualty shock.
