Salvage tender, deck 7

Imperator Black deck layout · rules v0.5 · chapter 11 · seed 7 · 17 d6 rolls

Freespace's own working ships: cluttered bays and workshops, cheap locks.

Scale: each grid square is 3". Board 24" × 24". The blue bar on the west edge is the airlock: the way in and out. Spine joints are open; other links are doors.

Tiles

3 × 6"×6", 4 × 6"×3", 3 × 3"×3" (junctions and small rooms).

Hazard

Place a fire marker in the middle of one compartment: the workshop, salvage bay or life support if there is one, otherwise the one nearest the heart (chapter 8).
